8. PLANNING APPLICATIONS -

- i) **To receive the latest planning schedule and discuss new applications.** (Appendix D)

Members noted that two planning decisions had been issued by Cheshire East Council in respect of development within the Parish since the last meeting.

19/4757M - Members reviewed the application and considered that a comment should be submitted in respect of the proposed materials associated with the development.

19/4899M - Members did not raise any comments in respect of this planning application.

51/19 RESOLVED a) That the following comment be submitted in respect of planning application 19/4757M: That, whilst no objection is raised to the principle of the proposed development, concern is raised that use of inappropriate materials for the external property envelope would be detrimental to the local rural setting especially given the prominent position of the property.

There is ambiguity within the details contained within the application form as to the precise materials which are to be used, therefore, it is requested that, should the application be approved, a condition is applied which requires the materials to be restricted to those which are consistent with the high quality, natural materials of surrounding properties in order to enhance the local, rural setting. The proposed materials should be submitted to the Local Planning Authority for approval prior to work commencing.

b) That no comment be submitted in respect of planning application 19/4899M.

Proposed Councillor I. Beaumont

Seconded: Councillor J. Wilson

OVER ALDERLEY PARISH COUNCIL

- ii) **Update in respect of queries raised about development associated with planning application 17/4030M (Lower Yew Tree Farm, Birtles Lane).** Members noted that the response received, from Cheshire East Council, in respect of the queries had been previously circulated. Members raised concerns that the discharge of conditions associated with this application did not appear to take into consideration the assertions made within the original application. It was, however, noted that work at the site did not appear to be complete. Members expressed concern that recent development within the Parish appears to be incorporating increasingly urbanising features and that these should be discouraged to ensure that the Parish retains its rural character.

9. HIGHWAY MAINTENANCE & ENHANCEMENTS -

i) Update on outstanding highway matters -

- Signage repairs had not yet been completed.
- Flood on Prestbury Road, near to Hare Hill, has not yet been resolved.
- Footway condition near to Brook Cottage, School Lane - no update available.
- Borough Councillor P. Findlow had submitted an application for surface patching to be undertaken on Macclesfield Road near to the junction with Dirty Lane.

ii) To receive highway matters for attention from Members -

- Road surface deteriorating on Prestbury Road near to junction with Greyhound Lane.
- Blocked gullies on School Lane (near to properties 1-4)

DECISION a) That the Clerk report the above issues to Cheshire East Council and seek updates for outstanding issues.

10. COMMUNITY -

i) Over Alderley Primary School Charity - There was nothing to report.

- ii) **Update on Superfast Broadband Provision within Parish -** Members noted that the update from Connecting Cheshire had been previously circulated to all Members. A number of queries were raised regarding how residents can access improved services and/or funding for connection improvements.

DECISION a) That the Clerk invite a representative from Connecting Cheshire to attend the next Parish Council meeting to answer questions.

- iii) **Ashbrook Road Allotments -** The Clerk reported that the clearance of the vacant plot had been delayed due to inclement weather. The work will be undertaken as soon as possible.

- iv) **Red Telephone Kiosk within Parish -** The Clerk reported that two offers to purchase the telephone kiosk had been received.

52/19 RESOLVED a) That a decision on whether to proceed with the sale of the kiosks be deferred to the next meeting.

Proposed Councillor J. Wilson Seconded: Councillor I. Beaumont All in favour

- v) **Alderley Park Liaison Committee -** Councillor I. Beaumont reported that the main issue discussed at the meetings which was relevant to Over Alderley was the release of funding for improvement works at the Reading Room. Cheshire East Council had raised queries which were presently being addressed. Members raised concerns regarding the use of tarmac to resurface the car park which was considered to be detrimental to the rural character of the area. It was suggested that alternative surfaces should be considered prior to work commencing.

Councillor J. Wilson requested that an enquiry should be raised regarding the provision of bridleways within the Alderley Park site. Signs had been observed which prohibited access by horses, whereas, information received during consultation events prior to development indicated that there would be increased provision of bridleways within the site.

DECISION a) That the update from the Alderley Park Liaison Committee be received and duly noted.

b) That Councillor I. Beaumont bring the query relating to bridleways to the attention of the Alderley Park Liaison Committee.

- vi) **Monthly Messenger -** Councillor J. Wilson reported that a request for funding to support production of the Monthly Messenger was made to the Reading Room Committee, however, this was not successful. Grant funding had, however, been secured from the Alderley Edge Institute Trust.

DECISION a) That the report of Councillor J. Wilson be received and duly noted.

vii) Parish Council Notice Boards -

- a) **Festival Drive -** The Clerk reported that the notice board at Festival Drive had fallen over, therefore, to avoid injury to the public it had been removed from the site. A resident had noted the removal of the notice board and had constructed and installed a new, replacement notice board. An invoice for materials and labour had been received in the sum of £50.00.

OVER ALDERLEY PARISH COUNCIL

- 53/19 **RESOLVED** a) **That the report of the Clerk be received and duly noted.**
b) **That the resident be thanked for their actions to replace the notice board and approval be given for the payment of the costs associated with the notice board.**

Proposed Councillor I. Beaumont Seconded: Councillor S. Pett All in favour

- b) **St. Catherine's Church** - Members considered the present position in respect of the proposed replacement notice board, however, considered that installation of a notice board matching the new one at Festival Drive would be most appropriate. Members asked the resident if he would be willing to construct a second notice board for installation at St. Catherine's Church.

- 54/19 **RESOLVED** a) **That the replacement notice board, of the same design as that at Festival Drive, be constructed by the resident.**
b) **That the replacement notice board be installed at St. Catherine's Church in the same location as the existing notice board.**

Proposed Councillor J. Wilson Seconded: Councillor D. Folkes All in favour

11. **MATTERS FOR INCLUSION ON NEXT/FUTURE MEETING AGENDA -**

- i) Cheshire East Council - Town & Parish Council Conference - 20th November, 2019.

12. **DATE OF NEXT MEETING - Monday 20th January, 2020 at 7:45p.m. at Over Alderley & Birtles Reading Room.**
To consider passing a resolution under Section 1(2) of the Public Bodies (Admission to Meetings) Act 1960 (Section 100(a) of the Local Government Act 1972) to exclude the public and press from the meeting for the following item of business on the grounds that it could involve the likely disclosure of exempt information.

- DECISION** a) **That a resolution to exclude the Public and Press from the remainder of the Meeting was not necessary as no items were to be considered at Item 13.**

13. **MATTERS FOR CONSIDERATION INCLUDING THOSE TRANSFERRED FROM ABOVE ITEMS -**

None.

The Meeting was declared closed by the Chairman at 9:17 p.m.
